INTERNATIONAL INFLUENCER

Brian Walker

Redefine the future

Top "Fit for Business™" Strategist in Australia

Internationally renowned retail expert speaker Brian Walker understands what it takes to make retailers and brands successful.

He passes this knowledge on in a series of energetic, engaging, and informative retail keynote talks at conferences and events around the world.

Drawing on many years of experience in retail senior management and consulting, Brian Walker has become Australia's most sought-after headlining retail speaker on all aspects of retail, guiding audiences through tomorrow's retail today.

“Brian is an outstanding presenter. If you’re in business, of any kind, and you get the chance to hear him, then grab it. He is among the best of the best.”

Alan Fitzgerald Principal, Fitz Consulting

INTERNATIONAL AWARD-WINNING

Retail Expert

Brian has been awarded the International Retail Leadership Award: Asian Retail Congress and won the Australian Institute of Management's National Scholarship.

He was nominated for the Business Leadership Award: CPA Awards Entrepreneur of the Year Award: Ernst & Young and Telstra Business Awards.

Brian was a finalist for Fastest Growing Start Up Business: BRW & Smart Company.

“Brian’s presentation is the best we’ve seen & experienced.”

Oxfam

Brian hosts a podcast called The Future of Retail to guide retailers through the steps to improve their business fitness as well as provide insights and opportunity.

Brian is one of the top 15 Retail Podcasters in Australia.

“Brian is insightful, knowledgeable and an expert in the retail field. He certainly is the ‘Retail Doctor’!”

Julie Green National Channel Manager - Newsagents ACP Magazines

Unveiling AI's Revolutionary Role in Retail

Brian Walker

Chief Executive Officer,
Retail Doctor Group

Explore the transformative potential of AI in retail with Brian Walker. Delve into cutting-edge innovations, from personalised customer experiences to predictive analytics, shaping the industry's landscape.

Discover how AI is revolutionising retail, driving growth, and redefining customer engagement in the digital era.

AUDIENCE

This topic is suitable for all audiences. Internal talks to senior execs, industry stakeholders, boards, senior suppliers, and those generally interested in the role AI has to play in the future of retail.

Retail CEOs, retail suppliers, shop/retail design architects, digital retail designers, all industry groups, organisations, & international conferences.

Brian Walker is a recognised expert in artificial intelligence (AI) with a passion for exploring its transformative potential across the retail landscape. With a deep understanding of AI technologies and their practical applications, Brian has become a sought-after speaker, consultant, and thought leader in the field.

Drawing on years of experience and expertise, Brian helps businesses navigate the complex landscape including AI adoption, strategy development, implementation and optimisation. Whether demystifying concepts such as AI, sharing real-world case studies, or exploring ethical implications of AI technologies, Brian delivers insightful and thought-provoking talks to inspire, educate, and empower audiences.
